Join in Missouri's celebration of National Library Week

National Library Week takes place April 11-17 with the 2010 theme "Communities Thrive @ Your Library." How is your library celebrating? Are you honoring staff, marketing your services, holding special events? We want to hear about it! Share information about your National Library Week activities with library staff across Missouri on [WebJunction Missouri](#). Use the Missouri News [discussion list](#) to post announcements about your promotional efforts, special events and programs, upload photos or link to your Library's Web site. For some last-minute, can-do ideas, visit [National Library Week](#) online.

We invite you to show us how community is thriving at your library and encourage you to contribute your National Library Week photos for a statewide slideshow to premier on WebJunction Missouri at a future date. E-mail your celebratory images to our new Continuing Education Consultant Sarah Easley at sarah.easley@sos.mo.gov. If you have questions and would like to speak with Sarah, she can be reached at 800-325-0131, ext. 16.
